Case iNELS Bus: Guest Room Management System (GRMS)

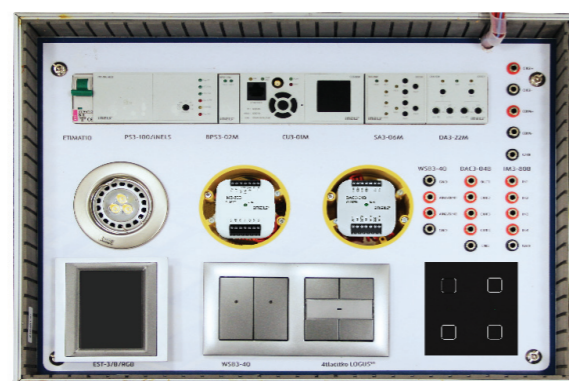

Presenting the iNELS Guest Room Management System case, it covers a comprehensive solution for the hotel environment. It contains the following components: Multifunction Touch Panel Glass Hotel Reader, Glass Thermostat, Fan-coil actuator, Central unit and Universal Dimmer. Simply example of switching; Master the lights or regulate the temperature in the room. The presentation case is suitable for self-education and especially as a demonstration of functionality for hoteliers.

Case iNELS Wireless (small)

Presenting the RF Control case, it covers a comprehensive solution for home automation. It contains the main system components: a touch unit, remote control, smart box for control via a smartphone and more. Functions that can be demonstrated: appliance switching, dimming lights and temperature control. The presentation case is particularly suitable for self-learning iNELS system partners.

Case iNELS Wireless Hotel room energy saving kit

The presentation case is designed to demonstrate the automation of hotel rooms. Through it you can demonstrate the automatic control of lighting, shading techniques, effective temperature control and listening to music. The presentation case is suitable for self-education and especially to demonstrate the functionality for hoteliers.

Case Energy Management

The Energy metering presentation case is used to demonstrate the measurement of energy in existing gauges (water, gas, and electricity) and the subsequent evaluation via the ELKO EP cloud and applications on a smartphone. The presentation case is designed especially for utilities and for demonstrations to end-customers.

Case RELAY Modular Electronic Devices

The presentation case is used to present a portfolio of modular devices (timing, twilight, dimmers, monitoring of voltage, current, thermostats, level relay ...). It is suitable for presentations, self-education and general familiarization with the products. The suitcase is packed with over fifty functional products.

Type	Name	EAN

Case BUS & Wireless & Multimedia

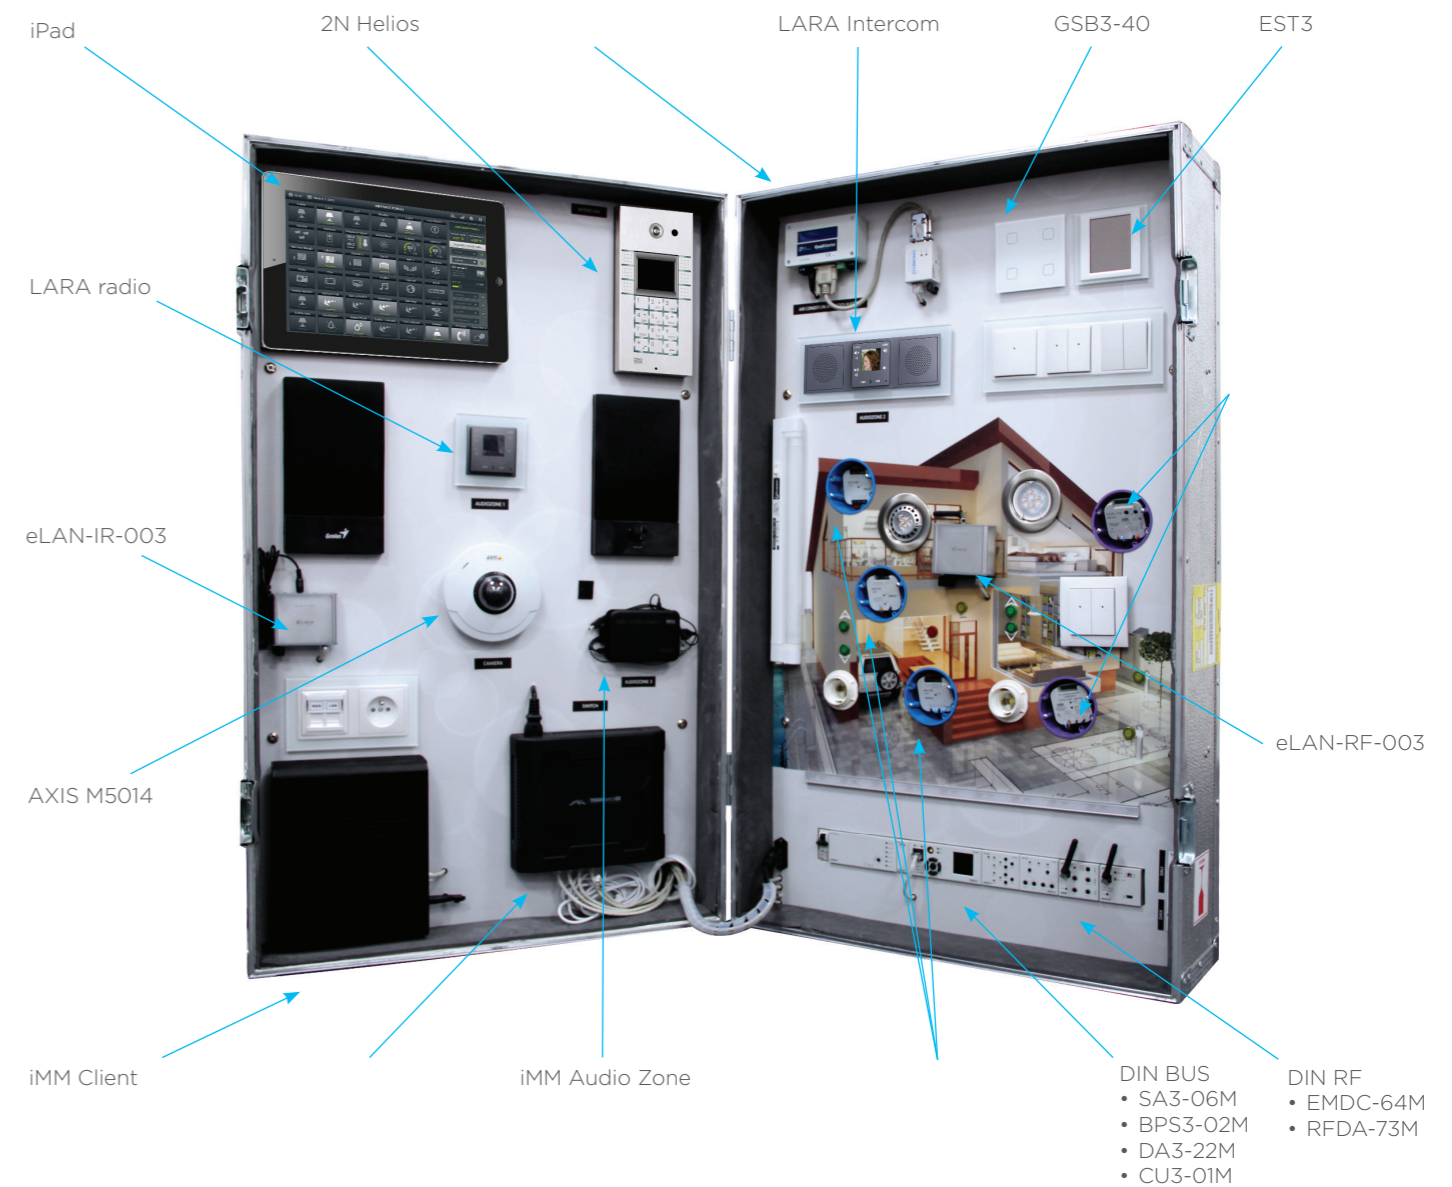

The iNELS presentation case is a comprehensive tool for presenting iNELS. It is a combination of bus and iNELS including wireless multimedia extensions IMM and demonstrating compatibility with third parties. The case is suitable for system partners presenting in exhibitions but also as a training tool.

Case LARA Design

Serves to demonstrate LARA as a player, Internet radio, 'intercom' for calling each other " or as a display unit for entry phones. Part of the case also shows the NAS as a music storage and smartphone control via the application. It demonstrates the connections that LARA can form (wire, wireless) and variants of speakers. The case is designed as a system partner demonstrator for customers as well as for exhibitions relating to audio / video.

Case LARA

This demo case is intended for the presentation and demonstration of LARA functionality – LARA as an internet radio, LARA as a music player, LARA as a home intercom, LARA as a home videophone (with IP door phone 2 N) and LARA as an iNELS audio zone. Thanks to the speakers designed for installation in ceilings or into switches you can enjoy the ultimate music experience.

Type	Name
75023 CBR	Ceiling speaker
PoE supply	Set to wire LARA connection into an installation box an external adapter
PoE supply + WiFi into box	Set for wireless connection into an installation box
PoE supply into a box	Set for wire LARA connection into an installation box
PoE switch	Power supply for up to 5 devices
BeFo 511	Door lock BeFo 511
21031	Card switch
90731 TIS	Cover of card switch
90910 TBS	Single frame
WMR2-11/G	Wall card reader
LARA Radio <i>white</i>	LARA Intercom
21581	LARA Intercom
LARA Radio <i>aluminium</i>	LARA Intercom
LARA Radio <i>grey</i>	LARA Intercom
MK	Magnetic RFID card for WMR card reader

Energy management – wireless energy measuring

Multilanguage (sliding labels), floor standing, can be a part of the set of boards.

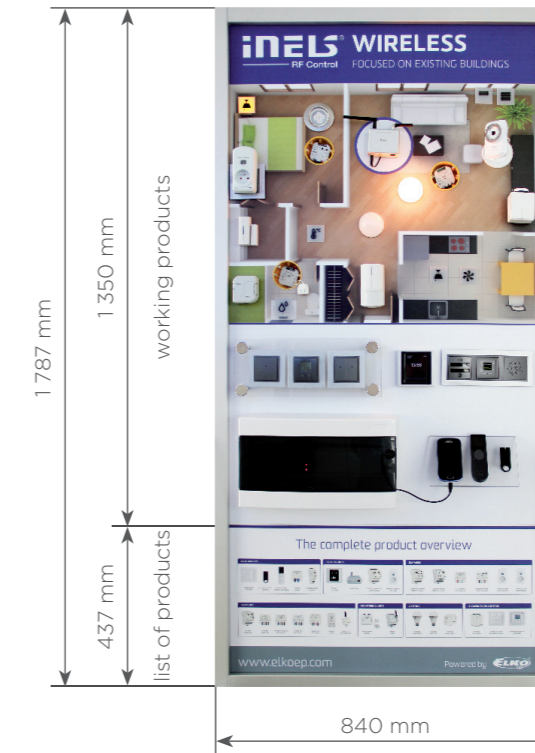

Type	Name
RFPM-2M	Energy gateway
RFTM-1	Pulse converter
CT50	Current transformer
LS	LED sensor
MS	Magnetic sensor
IRS	Infra Red sensor

Product number	Parameters	Price
Code 80364	Dimension 1787 x 840 x 80 mm	1 662 €

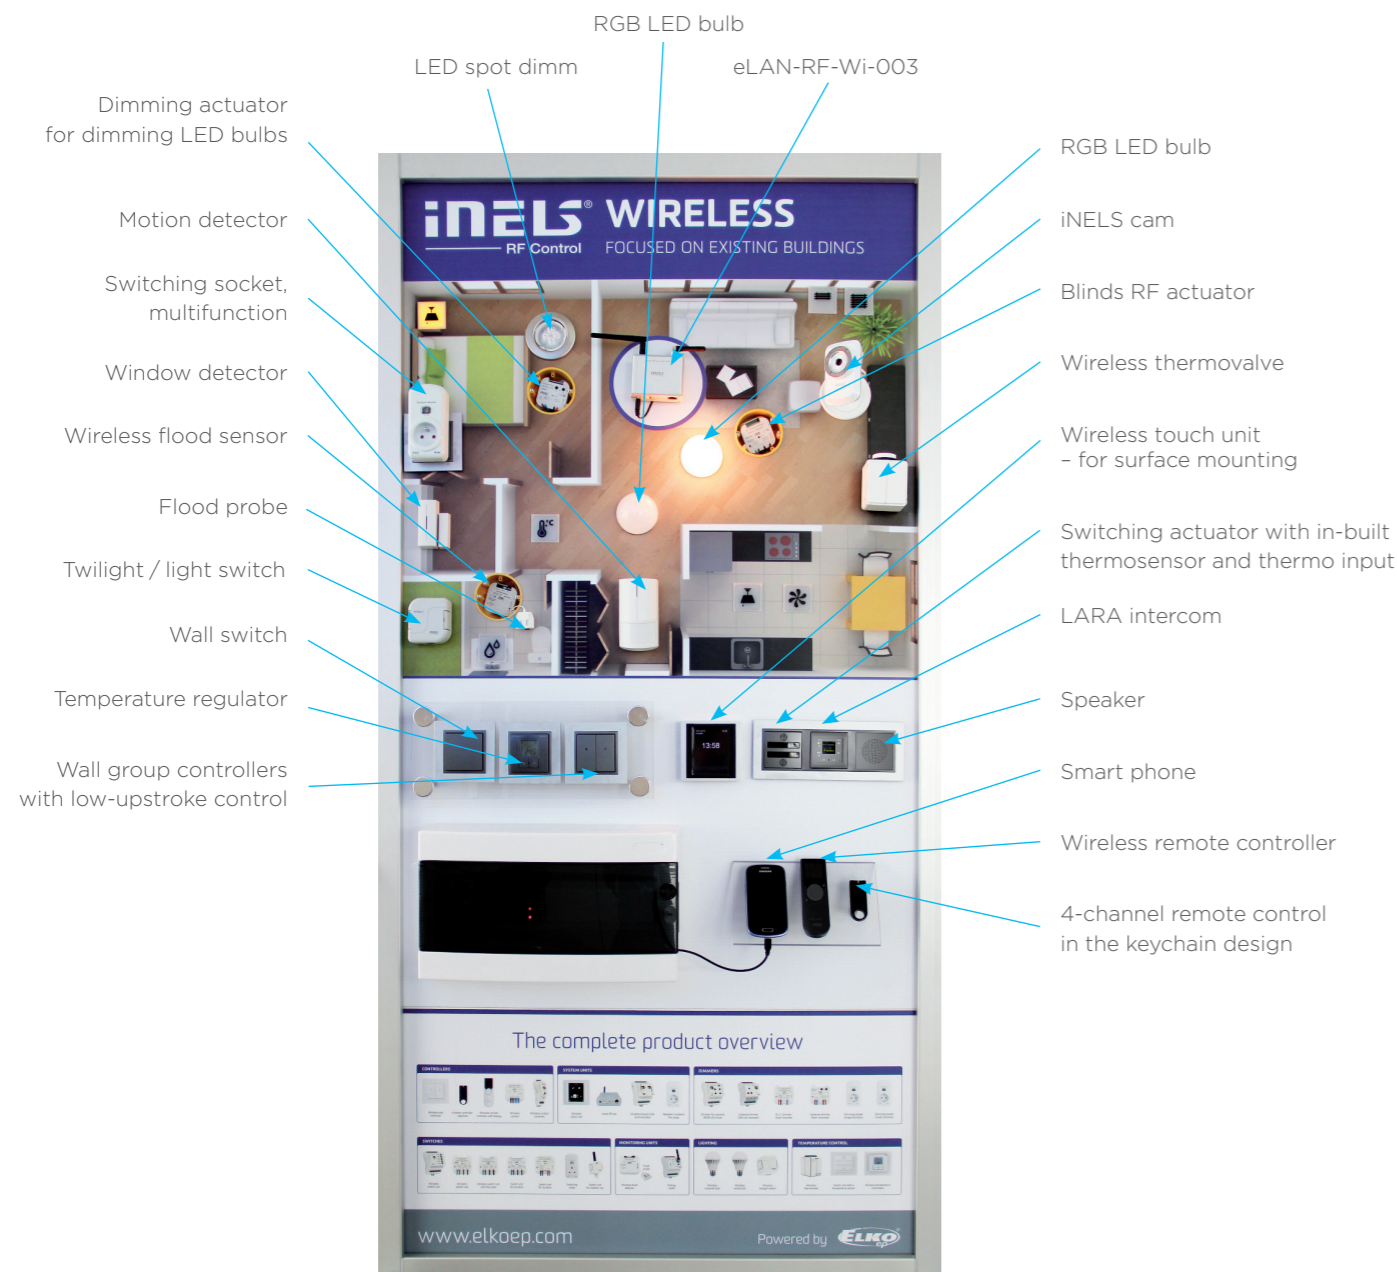

iNELS Wireless

Multilanguage (sliding labels), floor standing, can be a part of the set of boards.

Type	Name
DLSSL-GU10-350-3K	LED spot dimm, dimmable, warm cold white
RF-RGB-LED-550	RGB LED bulb iNELS RF Control
iNELS Cam	Interior color camera
RFSC-61_Schuko	Switching socket, multifunction, Schuko type
90910 METALLO TUS - aluminium / grey	Single-frame, METALLO (metal)
90631 TIS - metallic grey	Schuko socket cover
RFDEL-71B	Dimming actuator for dimming LED bulbs and dimmable Energy Saving Lamps
eLAN-RF-Wi-003_2,4GHz	Smart box to control electroinstallation by smartphone
RFJA-12B/230 V	Blinds RF actuator
FP-1	Flood probe
RFSF-1B	Wireless flooding sensor
RFSOU-1	Twilight / light switch
RFATV-1	Wireless thermostatic valve
RFTC-10/G /grey	Temperature regulator - extension for RF Touch
99601 TIS - grey	Cover for RFWB-20/G, WSB2-20/G, WTC2-21/G and WMR2-11/G
LARA-IC/IS	LARA Intercom
99611 tis - grey	Cover for RFWB-40/G and WSB2-40/G
RF Touch-W_nickel/ white white	Wireless touch unit - for surface mounting
90930 METALLO TUS - aluminum / gray	Triple-frame, METALLO (metal)
90601 TIS - metallic grey	Rocker plain
90910 TUS	Single-frame, CRYSTAL
RFWD-100	Window detector

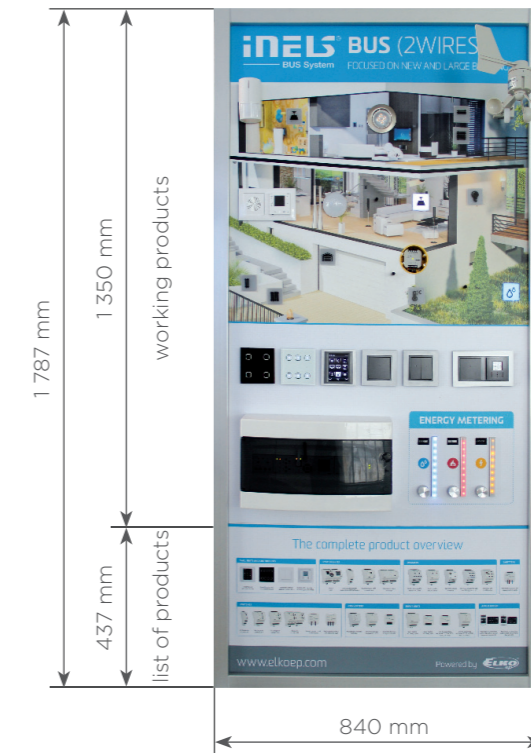

RF Pilot/A	Wireless remote controller
RF Key/B black	4-channel remote control in the keychain design, black
Samsung i8200 Galaxy SIII mini VE	Smart phone
RFSA-66M /230 V	Switching actuator, 6 independent channels, 3x8A NO, 3x8A CO
RF GSM-220	Multifunction GSM communicator
RFSTI-11/G/ aluminium	Switching actuator with in-built thermosensor and thermo input
RFMD-100	Motion detector
PS-30-24V	Power supplies
RFSTI-11/G_grey	Switching actuator with in-built thermosensor and thermo input
RFSA-62B /230V	Wireless switch unit (inbuilt) - 2 outputs

Code 80339	Dimension 1 787 x 840 x 80 mm	1 583 €

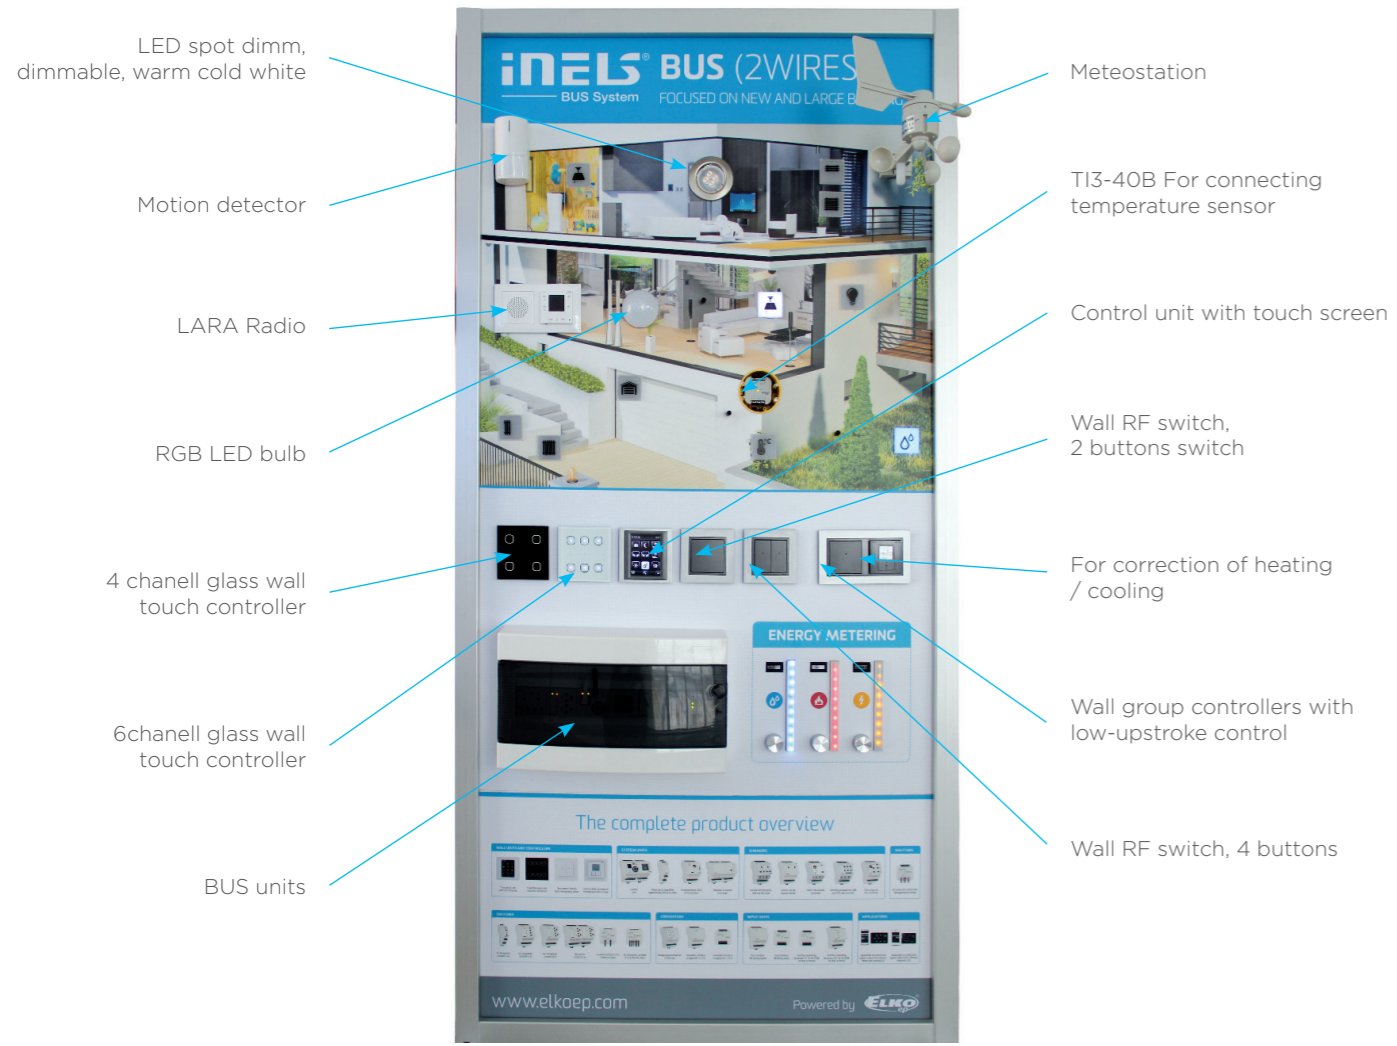

iNELS III BUS

Neutral language (sliding labels), floor standing, can be a part of the set of boards.

Type	Name
DL SL-GU10-350-3K	LED spot dimm, dimmable, warm cold white
Giom 3000	Weather stations GIOM 3000
2" Loud-speaker	For mounting into an installation box
90920 TBR	Double-frame, BASE (plast)
90910 TBR	Single-frame, BASE (plast)
LARA radio	Music in your switch
RF-RGB-LED-550	RGB LED bulb iNELS RF Control
TC-3	Thermo sensor
TI3-40B	For connecting temperature sensor TC, TZ, Ni1000, Pt1000 or Pt100
GSB3-40 /B black	4 chanel glass wall touch controller
GSB3-60 /white	6 chanel glass wall touch controller
EST3	Control unit with touch screen - aluminum/metalic grey
90910 METALLO TUS	Single-frame, METALLO (metal) - aluminium /grey
99601 TIS - grey	Cover for RFWB-20/G, WSB2-20/G, WTC2-21/G and WMR2-11/G
99611 TIS - grey	Cover for RFWB-40/G and WSB2-40/G
90920 TUS	Double-frame, METALLO (metal) - aluminum / gray
D-Link GO-RT-N150	Camera D-Link
BPS2-01M	Bus separator from power supply
CU3-02M	Brain of iNELS system with RF interface
PS3-100/iNELS	Switching regulated power supply with total power IN AC 100 - 250 V AC
BPS3-02M	For the impedance separation of one CIB line from the power supply

SA3-06M	For switching home appliances, e.g. lighting and thermo drivers
DA3-22M	For dimming ESL, LED and RLC load
IM3-80B	Binary inputs, 8x binary inputs, 12 V DC/75 mA, box
Connection server	Connection between iNELS BUS system units and another devices
PoE supply	Power supply for weather stations GIOM 3000
RFWB-20/G	RF transmitter, 2 channels
RFWB-40/G	RF transmitter, 4 channels
WSB3-20	Wall group controllers with low-upstroke control
IDRT3-1	For correction of heating / cooling
MI3-02M/iNELS2	Allows you to extend the number of connected peripheral iNELS units
RFSA-61M/230 V	Switching RF actuator with internal antenna - 6 functions, 1x switching 16A

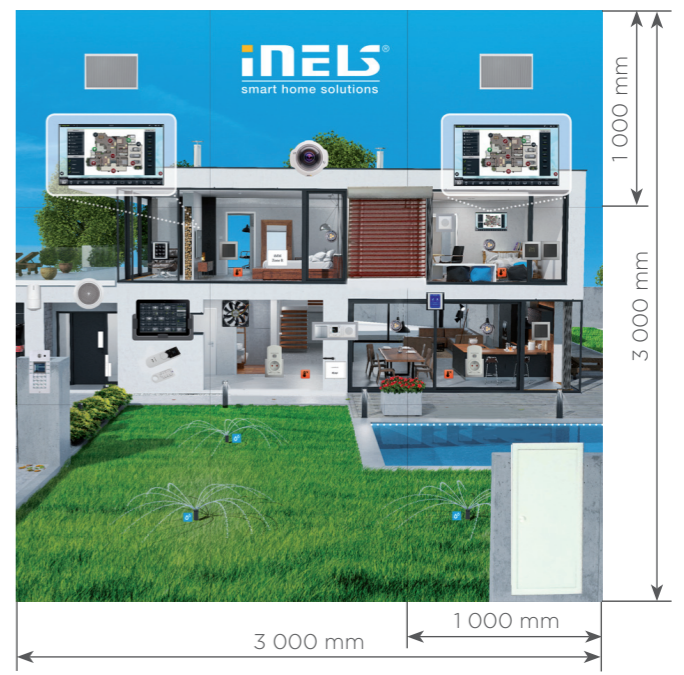

Smart House Full (5 x 3 m)

Neutral language (sliding labels), floor standing, can be a part of the set of boards.

Panel LOGUS⁹⁰ Home switches & sockets

Neutral language (sliding labels), floor standing, can be a part of the set of boards.

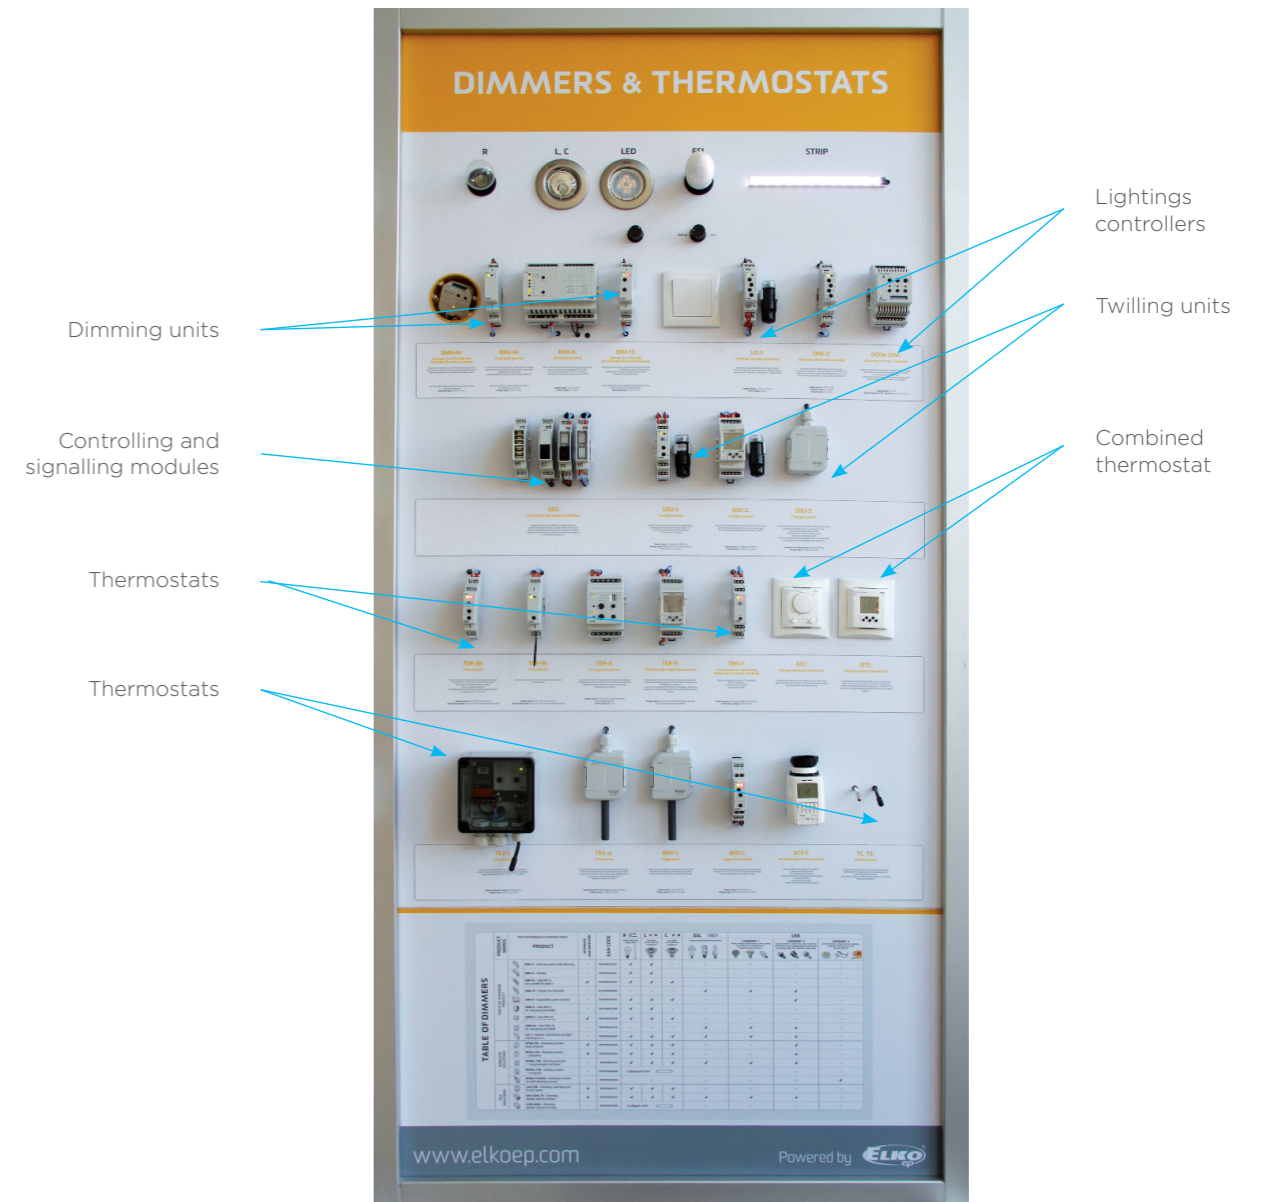

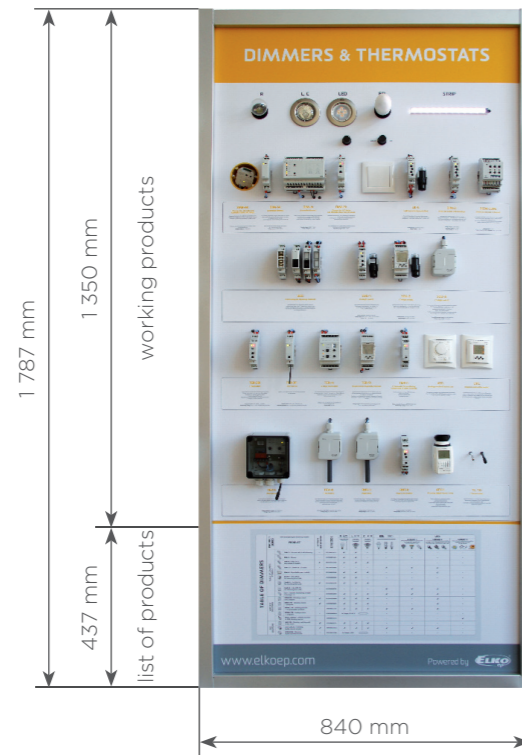

Product list	Specification
BASE	Smart finish. Discrete shape of function.
AQUARELLA	Distinct colors. Shades that characterize the space.
ANIMATO	Large selection of colors, modern design and pleasant price.
CRYSTAL	Brightness and clarity. Shades that bring the shine of crystals into a honed experience.
METALLO	Distinction and modern feel. The refinement and brightness of metal enhance the value of the surroundings, and lend inspiration to great moments.
ARBORE	Selection of natural materials. Warm shades of wood with their varying structures create a room full of happiness and sincere comfort.
PETRA	The beauty and stability of nature. Stone with its uneven patterns, shaped by time and nature, represent the sense of firm and unending existence.

RELAY display (Dimmers & thermostats)

Neutral language (sliding labels), floor standing, can be a part of the set of boards.

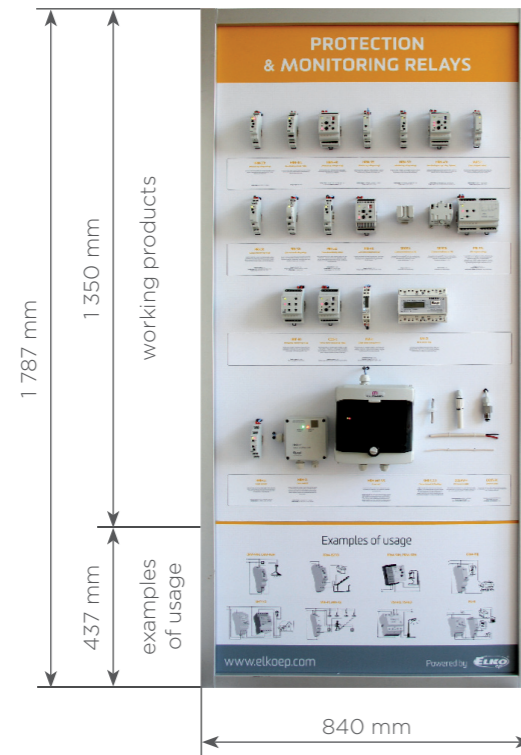

Type	Name
SMR-M	Controlled dimmer
DIM-14	Controlled dimmer
DIM-6	Controlled dimmer
DIM-15	Controlled dimmer
LIC-1	Lighting intensity controller
DIM-2	Staircase switch with dimming
DCDA-33M	Dimming actuator 3-channel
USS	Contolling and signalling modules
SOU-1	Twilight switch
SOU-2	Twilight switch
SOU-3	Twilight switch
TER-3B, TER-3F	Thermostat
RHT-1	Hygro-thermostat
TER-4	2-stage thermostat
TER-9	Multifunction digital thermostat
TER-7	Thermostat for monitoring temperature of motor winding
ATC, DTC	Analog room and floor thermostat
RHV-1	Hygostat
TEV-1, TEV-4	Thermostat
ATV-1	Economy digital thermo-valve
TC, TZ	Thermosensor

Product number	Parameters	Price
Code 80343	Dimension 1787 x 840 x 80 mm	840 €

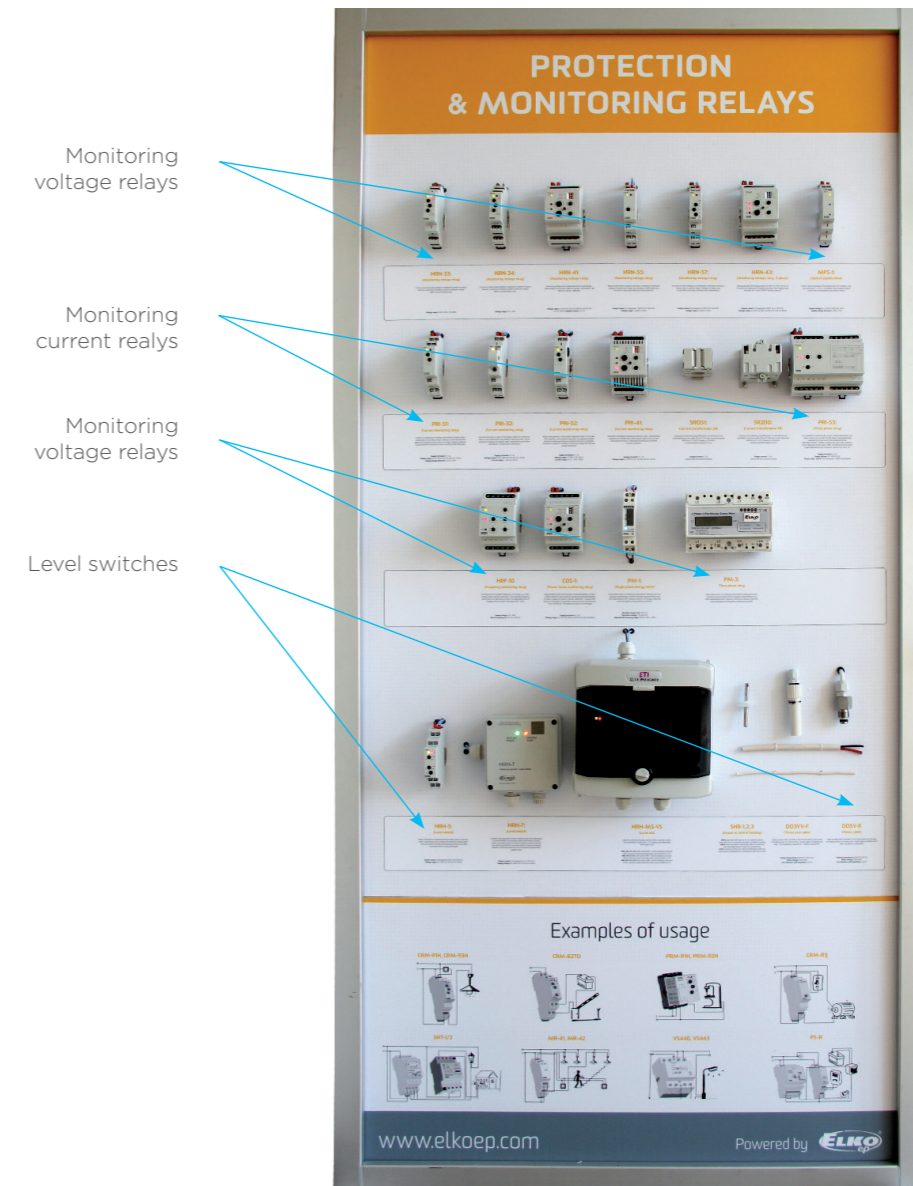

RELAY display (Protection & monitoring relays)

Multilanguage (sliding labels), floor standing, can be a part of the set of boards.

Type	Name
HRN-34	Monitoring voltage relay
HRN-34	Monitoring voltage relay
HRN-41	Monitoring voltage relay
HRN-55	Monitoring voltage relay
HRN-57	Monitoring voltage relay
HRN-43	Monitoring voltage relay, 3-phase
MPS-1	Optical signalization
PRI-51	Current monitoring relay
PRI-32	Current monitoring relay
PRI-52	Current monitoring relay
PRI-41	Current monitoring relay
SRO51	Current transformer SR
SR200	Current transformer SR
PRI-53	Three-phase relay
HRF-10	Frequency monitoring relay
COS-1	Power factor monitoring relay
HRH-5	Level switch
HRH-7	Level switch
HRH-MS-VS	Level set
SHR-1	Probes for level switch
SHR-2	Probe for level relay

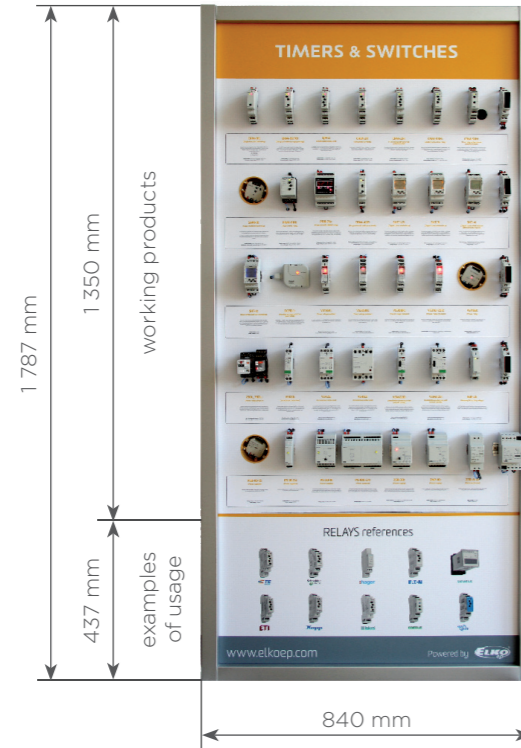

SHR-3	Probe for level relay
DO3VV-F	Tree-case cable
DO5V-5	Power cable

Product number	Parameters	Price
Code 80344	Dimension 1 787 x 840 x 80 mm	674 €

RELAY display (Timers & switches)

Multilanguage (sliding labels), floor standing, can be a part of the set of boards.

Type	Name
CRM-81J	Single-function time relay
CRM-82TO	Delay OFF without supply voltage
SJR	Doublestage delay unit
CRM-2T	Delay On star/delta
CRM-2H	Time relay with external potentiometer
CRM-93H	Multifunction time relay
CRM-91H	Time relay with external potentiometer
SMR-B	Super-multifunction relay
PRM-91H	Plug-in time relay
PDR-2A	Programmable digital relay
CRM-42F	Programmable staircase switch
SHT-1/2	Digital time switch clock
SHT-3	Digital time switch clock
SHT-4	Digital time switch with an astronomical program
SHT-6	Time switch with DCF managing
DCFR-1	Receiver to control SHT-6 time switch
VS116K	Power relays modular
VS308U	Power relays modular
VS308K	Power relays modular
